## EXPERIENCE

2011–Present *Green Earth Enterprise*  
New York, New York  
Quality Control  
Maintained quality of printed materials by  
matching color and checking copy. Oversaw  
die-cutting, binding, and foil stamping  
procedures to ensure job specifications for  
the customer were met.

2011–2012 *The Podium Foundation*  
Richmond, Virginia  
Graphic Designer  
Collaborated with partner to design and  
develop an online journal for Richmond City  
high schools.

2011 *Keith Fabry Reprographics*  
Richmond, Virginia  
Graphic Designer, Fabricator  
Updated company website. Fabricated kiosks  
for AT&T. Operated CNC router. Designed ads  
and assisted in graphic related tasks.

2009–2011 *DTI Associates*  
Dahlgren, Virginia  
Graphic Designer  
Worked with the USMC History Division for the  
publication *100 Years of Marine Corps Aviation*.  
Designed icons for an onboard aircraft system.  
Studied machining and casting methods. Edited  
photos and formatted documents.

2010 *Gregynog Press*  
Newtown, United Kingdom  
Printer's Assistant  
Prepared proofs for the fine press publication  
*Princes and Castles*. Assisted the head printer  
with make-ready, composition, running  
the Monotype caster, and distributing type.

2007–2008 *Bowe House Press*  
Richmond, Virginia  
Assistant  
Maintained and restored printing presses and  
equipment. Organized press materials and  
helped students with projects and procedures.
